

J Donut

(1,5,9,13,17,21,25)

Diagram J shows five acrobats in yellow suits with green chest patches arranged in a circular 'Donut' formation. Each acrobat is in a handstand position, with their feet resting on the shoulders of the acrobat directly below them. The acrobat at the top is in a full handstand, while the others are in a half-handstand position.

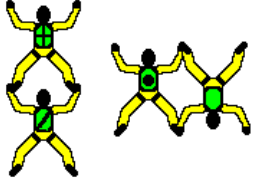

G Cataaccord

(2,6,10,14,18,22,26)

Diagram G shows six acrobats in yellow suits with green chest patches arranged in a diagonal 'Cataaccord' formation. Each acrobat is in a handstand position, with their feet resting on the shoulders of the acrobat below them. The acrobat at the top is in a full handstand, while the others are in a half-handstand position.

9 Cat + Accordion

(3,7,11,15,19,23,27)

Diagram 9 shows six acrobats in yellow suits with green chest patches arranged in a 'Cat + Accordion' formation. On the left, two acrobats are in a 'Cat' formation, with one acrobat in a handstand position and the other in a half-handstand position. On the right, four acrobats are in an 'Accordion' formation, with two acrobats in a handstand position and two in a half-handstand position.

(inter)

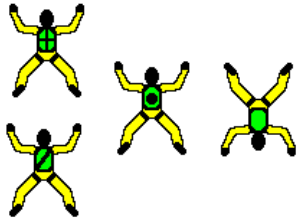

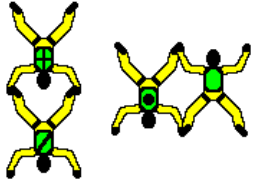

Diagram (inter) shows six acrobats in yellow suits with green chest patches arranged in an 'Inter' formation. The acrobats are in a staggered arrangement, with three acrobats in a handstand position and three in a half-handstand position.

Cat + Accordion

(4,8,12,16,20,24,28)

Diagram Cat + Accordion shows six acrobats in yellow suits with green chest patches arranged in a 'Cat + Accordion' formation. On the left, two acrobats are in a 'Cat' formation, with one acrobat in a handstand position and the other in a half-handstand position. On the right, four acrobats are in an 'Accordion' formation, with two acrobats in a handstand position and two in a half-handstand position.
