

7 Sidebody

(1,5,9,13,17,21,25)

Detailed description: Two parachutists in yellow suits with green chest markers are shown in a sidebody formation. They are positioned side-by-side, facing the same direction, with their arms and legs spread out horizontally.

(inter)

Detailed description: Two parachutists in yellow suits with green chest markers are shown in a sidebody formation. Above each parachutist is a curved arrow indicating a rotation. The left parachutist has a 90-degree rotation arrow pointing to the right, and the right parachutist has a 270-degree rotation arrow pointing to the left.

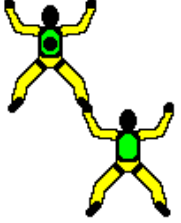

Sidebody

(2,6,10,14,18,22,26)

Detailed description: Two parachutists in yellow suits with green chest markers are shown in a sidebody formation, facing opposite directions. Their arms and legs are spread out horizontally.

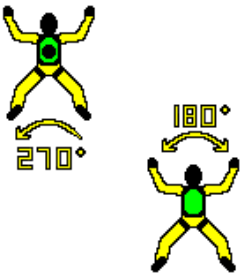

12 Stairstep

(3,7,11,15,19,23,27)

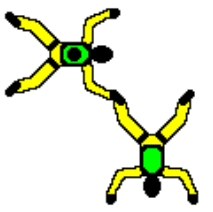

Detailed description: Two parachutists in yellow suits with green chest markers are shown in a stairstep formation. The top parachutist is in a standard sidebody position, and the bottom parachutist is positioned directly below and slightly to the right, also in a sidebody position.

(inter)

Detailed description: Two parachutists in yellow suits with green chest markers are shown in a stairstep formation. Above the top parachutist is a 270-degree rotation arrow pointing to the left. Above the bottom parachutist is an 180-degree rotation arrow pointing to the left.

Skew

(4,8,12,16,20,24,28)

Detailed description: Two parachutists in yellow suits with green chest markers are shown in a skew formation. The top parachutist is in a sidebody position, and the bottom parachutist is positioned below and to the right, in an inverted sidebody position (upside down).
