

**P** Upright Half Rebel

(1,5,9,13,17,21,25)

The diagram shows two skydivers in blue suits with yellow helmets and harnesses. They are positioned side-by-side, facing forward. Their arms are extended outwards and slightly upwards, with their hands positioned near the shoulders of the other diver.

**F** Totem

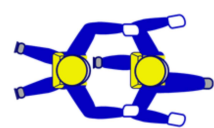

feet dock on top of same shoulders (between neck and arm)

(2,6,10,14,18,22,26)

The diagram shows two skydivers in blue suits with yellow helmets and harnesses. They are positioned one above the other. The top diver's feet are docked on the shoulders of the bottom diver. The bottom diver's arms are extended outwards, and the top diver's arms are also extended outwards, positioned between the neck and arm of the bottom diver.

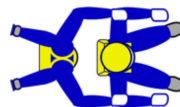

**N** Half Rebel

(3,7,11,15,19,23,27)

The diagram shows two skydivers in blue suits with yellow helmets and harnesses. They are positioned side-by-side, facing forward. Their arms are extended outwards and slightly upwards, with their hands positioned near the shoulders of the other diver.

**O** Versa Vice

(4,8,12,16,20,24,28)

The diagram shows two skydivers in blue suits with yellow helmets and harnesses. They are positioned side-by-side, facing forward. Their arms are extended outwards and slightly upwards, with their hands positioned near the shoulders of the other diver.
