

A Head-down Star

(1,5,9,13,17,21,25)

The diagram shows a formation of six skydivers in a horizontal line, head-down. They are arranged in a star shape with two central figures and four outer figures. Each skydiver is represented by a blue silhouette with yellow highlights on the head and chest.

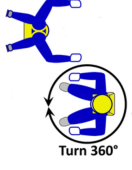

11 Mova

(2,6,10,14,18,22,26)

The diagram shows a formation of six skydivers in a vertical line, head-down. They are arranged in a curved, 'M' or 'V' shape. Each skydiver is represented by a blue silhouette with yellow highlights on the head and chest.

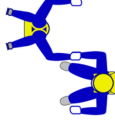

(inter)

Turn 360°

The diagram shows a formation of six skydivers in a vertical line, head-down. They are arranged in a curved, 'M' or 'V' shape. A circular inset shows a skydiver performing a 360-degree turn, indicated by a curved arrow and the text 'Turn 360°'. Each skydiver is represented by a blue silhouette with yellow highlights on the head and chest.

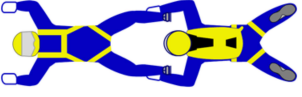

Mova

(3,7,11,15,19,23,27)

The diagram shows a formation of six skydivers in a vertical line, head-down. They are arranged in a curved, 'M' or 'V' shape. Each skydiver is represented by a blue silhouette with yellow highlights on the head and chest.

Q Mixed Cat

(4,8,12,16,20,24,28)

The diagram shows a formation of six skydivers in a horizontal line, head-down. They are arranged in a 'cat' formation with two central figures and four outer figures. Each skydiver is represented by a blue silhouette with yellow highlights on the head and chest.
