

B Stairstep Diamond

(1,5,9,13,17,21,25)

The diagram shows a diamond formation of seven skydivers. The top position is occupied by two skydivers in a mirrored, inverted pose. Below them are two more skydivers in a mirrored pose, and at the bottom is a single skydiver in an inverted pose. All skydivers are yellow with green accents.

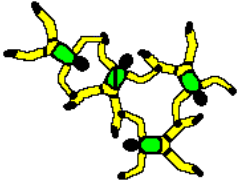

A Unipod

(2,6,10,14,18,22,26)

The diagram shows a unipod formation of seven skydivers. At the top is a single skydiver in an inverted pose. Below it are two skydivers in a mirrored pose, and at the bottom are two more skydivers in a mirrored pose. All skydivers are yellow with green accents.

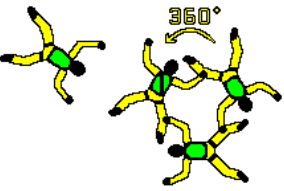

2 Sidebody Donut

(3,7,11,15,19,23,27)

The diagram shows a sidebody donut formation of seven skydivers. They are arranged in a circular pattern, with three skydivers on the left and four on the right, all in sidebody poses. All skydivers are yellow with green accents.

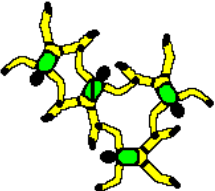

(inter)

360°

The diagram shows the same sidebody donut formation as above, but with an arrow indicating a 360-degree rotation around the central axis. All skydivers are yellow with green accents.

Side Flake Donut

(4,8,12,16,20,24,28)

The diagram shows a side flake donut formation of seven skydivers. They are arranged in a circular pattern, with three skydivers on the left and four on the right, all in sidebody poses. All skydivers are yellow with green accents.
