

13 HD Star

(1,5,9,13,17,21,25)

This diagram shows a formation of seven skydivers in a circular arrangement. The skydivers are colored green, blue, yellow, red, yellow, blue, and green in clockwise order starting from the top. They are connected in a circular pattern.

(inter)

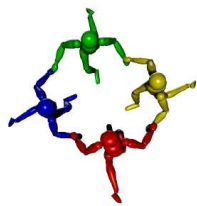

360°

360°

This diagram shows the same formation as above, but with two circular arrows indicating a 360-degree rotation for the formation.

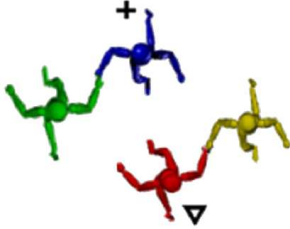

HD Star

(2,6,10,14,18,22,26)

This diagram shows a formation of seven skydivers in a circular arrangement, identical to formation 13.

22 Core Buddies

(3,7,11,15,19,23,27)

+

▽

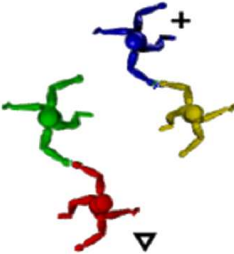

This diagram shows a formation of seven skydivers. A blue skydiver at the top has a '+' symbol above them. A red skydiver at the bottom has a '▽' symbol below them. The other skydivers are green, blue, yellow, and green in clockwise order starting from the top.

(inter)

This diagram shows the same formation as above, but without the '+' and '▽' symbols.

Core Buddies

(4,8,12,16,20,24,28)

+

▽

This diagram shows the same formation as above, with the '+' and '▽' symbols.
